Cookies Policy

Tradestation-International.com uses cookies to offer a better browsing experience and collect usage information. The information set out in this policy is provided in addition to the TradeStation Group, Inc. and subsidiaries ("TradeStation," "we" or "our") Privacy Notice, and should be read alongside our Privacy Notice.

Use of Cookies by Tradestation-International.com

Cookies are small text files that are placed on your computer by websites that you visit. They are widely used in order to make websites work, or work more efficiently, as well as to provide information to the owners of the site. The table below explains the cookies we use and why. This table (together with the rest of this policy) is subject to change from time to time.

Cookie key	Domain	Description
Strictly Necessary cookies		
	www.tradestation-international.com	Cookie generated by applications based on the PHP language. This is a general purpose identifier used to maintain user session variables. It is normally a random generated number, how it is used can be specific to the site, but a good example is maintaining a logged-in status for a user between pages.
Performance cookies		
	.tradestation-international.com	This cookie name is associated with Google Universal Analytics - which is a significant update to Google's more commonly used analytics service. This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports.
	.tradestation-international.com	This cookie is set by Google Analytics. It stores and update a unique value for each page visited and is used to count and track pageviews.
	.tradestation-international.com	This cookie is used by Google Analytics to persist session state.
Targeting cookies		
	.tradestation-international.com	Used by Google AdSense for experimenting with advertisement efficiency across websites using their services
	.doubleclick.net	This cookie is set by Doubleclick and carries out information about how the end user uses the website and any advertising that the end user may have seen before visiting the said website.
	.youtube.com	This cookie is set by YouTube to track views of embedded videos.
	.tradestation-international.com	This cookie is part of Google Analytics and is used to limit requests (throttle request rate).
	.doubleclick.net	This cookie is set by DoubleClick (which is owned by Google) to determine if the website visitor's browser supports cookies.
	.youtube.com	This cookie is set by Youtube to keep track of user preferences for Youtube videos embedded in sites;it can also determine whether the website visitor is using the new or old version of the Youtube interface.
Functionality cookies		
	www.tradestation-international.com	Stores the current language. By default, this cookie is set only for logged-in users. If you enable the language cookie to support AJAX filtering, this cookie will also be set for users who are not logged in.

How Do I Change My Cookies Settings?

Most web browsers allow some control of most cookies through the browser settings. Please be aware that if you should elect to refuse or delete cookies provided by a TradeStation website or service, you may experience some inconvenience in your use of TradeStation products and services. To find out more about cookies, including how to see what cookies have been set, visit www.aboutcookies.org or www.allaboutcookies.org.

Find out how to manage cookies on popular browsers:

- Google Chrome
- Microsoft Edge
- Mozilla Firefox
- Microsoft Internet Explorer
- Opera
- Apple Safari

To find information relating to other browsers, visit the browser developer's website.

To opt out of being tracked by Google Analytics across all websites, visit http://tools.google.com/dlpage/gaoptout.
